Pro **Shiny** Server

Questions & (not so much) Answers

01/16/2019

Background

- Pro server license until November 11, 2020
- `http://155.206.139.85:3838`
  - Soon → *http://shiny2.nefsc.noaa.gov*
- To-dos from Dave Hiltz:
  1. Share up the app & log directories
     `//net/shiny2/`
     `//net/shiny2_logs/`
  2. Install all the libraries that everyone uses
  3. Setup a web proxy so **shiny2** is available on the Internet

Next steps

https://github.com/PSB-Turtle/NEFSC-Pro-Shiny-Server

1. Draft guidance document
2. Strategize about long-term funding
3. What else?
